

Quick news note: We will be changing things up with this month's meeting.

NIGHT RIDE!!!! After all, we are the Nightriders!!

Meet at Old Montana at 4:00, Saturday February 11. Fun poker ride to the shelter and then meeting AT THE SHELTER at 6:00.

Club will provide hot dogs, buns, chips for dinner. Bring snacks to share.

Please pass this information on to those who don't do e-mail. Don't have time to go snail mail. My apologies.

As a side note: Thank you from the family of Larry Fredrick to those of you who helped him. (He's the guy who wrecked on Friday night.) He suffered no brain or spine damage despite having 20 (yes, twenty) broken bones!! Cheek, nose, sternum, 7 ribs, pelvis... A friend of his was in the \$ and expressed the family and friends most sincere thanks for your help. The club has sent flowers and a note to him at St. Patrick's hospital in Missoula.

See you on Saturday. Brennan
