Bring a truck already full of wood if you like.

Club will provide lunch (burgers) and fixin's.

Bring a salad or chips or beans to share if you like.

BYOB

MEETING

SATURDAY, OCTOBER 3

DeBORGIA SCHOOLHOUSE

7:00 P.M. MST

Here's some food for thought. Mark, Shirley and myself will not be running for office again this year. This means you all need to be thinking about who you would like to see fill the President, Secretary and Treasurer offices. Nothing has run afoul, we just all feel it is time to pass the torch and have a changing of the guard. We still plan to be active members and will be available to help make the transition smooth. Elections are held at the November meeting so there's some time to think about this. So, please, everyone, plan on attending the election meeting on November 7 so we have a good, solid vote.

See you all at wood-cutting. Brooke
